

**PLUS**  
**PURE**

**Pure Plus 10-6-60 + 1 % MgO + TE**  
**High-Potassium Compound Fertilizer**

## Chemical Composition (w/v)

Nitrogen (N):	10%	Water soluble
Phosphorus (P <sub>2</sub> O <sub>5</sub> ):	6%	Water soluble
Potassium (K <sub>2</sub> O):	60%	Water soluble
Magnesium (MgO):	1 %	Water-soluble

## Pure Plus High Potash Formula:

- A Potassium-rich formulation, supplemented with Phosphorus to support flowering and fruit set, while containing an adequate amount of Nitrogen.
- • Fortified with 1% Magnesium (Mg), essential for chlorophyll formation, improving photosynthesis efficiency and enhancing overall plant growth and vitality.
- Enhances the translocation of nutrients and sugars within the plant.
- Helps reduce flower drop and improves fruit set percentage.
- Promotes root development and overall plant vitality.
- Improves fruit quality in terms of taste, color, and firmness.
- Suitable for vegetables and fruit trees during pre- and post-fruit set stages.
- Enriched with micronutrients (TE) to prevent deficiency symptoms.

(Suitable for all irrigation systems and foliar application).

## Packaging:

1 kg – 5 kg – 10 kg – 20 kg
